eSIMs 4 Gaza

Guides to donating eSIM cards
using various phone apps

Info from @mirna_elhelbawi on IG

Navigating AIRALO

- Download AIRALO from the App Store
- In the app, create an account
- Select "Global eSIMs" tab at top of screen
- Select any "Discover" data package
- Scroll to bottom and tap "Buy Now"
- Select payment method, acknowledge terms, & pay
- Once completed, click "View Instructions"
- Tap on the "QR Code" tab at top of screen, then take a screenshot
- Email a clear picture of the QR code to **gazaesims@gmail.com** with the subject line: AIRALO eSIM [data amount] [region] [duration]

Navigating NOMAD

- Download NOMAD using getnomad.app
- In the app, tap the "Menu" icon in the top right corner
- Select "Shop Plans," then "Data"
- Scroll to bottom and select "Middle East"
- Select data amount, enter card details, acknowledge terms, & pay
- Once completed, wait for confirmation email with a QR code
- **DO NOT install the eSIM**
- Take a screenshot of the QR code
- Email a clear picture of the QR code to **gazaesims@gmail.com** with the subject line: NOMAD eSIM [data amount] [region] [duration]

GENERAL INFO

Connecting Humanity's volunteer team distributes eSIMs to folks in Palestine daily to keep them connected to the internet. Activation may take upwards of a month due to the tedious process with little room for error and spotty local internet.

HELPFUL TIPS

– Send a clear image of the QR code
– **DO NOT** activate or install the eSIM
– **DO NOT** resend anything to the volunteer team
– Plans range from $4-60 USD
– Any data amount helps, **>20GB** is great
– If you don't receive a QR code at first, e-mail the carrier's customer service and they will send you one

Navigating HOLAFLY

- Download HOLAFLYfrom App Store
- In the app, use the top search bar to find "Israel" or "Egypt"
- Select data package, tap "Checkout" at bottom of screen
- Enter payment details, acknowledge terms, & pay
- Once completed, wait for confirmation email with a QR code
- **DO NOT install the eSIM**
- Take a screenshot of the QR code
- Email a clear picture of the QR code to **gazaesims@gmail.com** with the subject line: HOLAFLY eSIM [data amount] [region] [duration]

FROM THE RIVER TO THE SEA PALESTINE WILL BE FREE!

Navigating SIMLY

- Download SIMLY from the App Store
- In the app, create an account
- Use the top search bar to find "Palestine" or "Middle East"
- Select data package, tap "Buy Now"
- Select payment method, acknowledge terms, & pay
- Once completed, wait for confirmation email with a QR code
- Take a clear screenshot of the QR code
- Email a clear picture of the QR code to **gazaesims@gmail.com** with the subject line: SIMLY eSIM [data amount] [region] [duration]

Navigating MOGO

- Download MOGO from App Store
- In the app, tap on "Store" button on the bottom menu bar
- In the Data Plan section, select "eSIM" tab, then "Israel"
- Select data package, then tap "Submit" at bottom of page
- Sign up or use 3rd-party login to continue
- Select payment method, acknowledge terms, & pay
- Purchase will need to be linked to a phone number
- Once completed, wait for confirmation email with a QR code
- Take a screenshot of the QR code
- Email a clear picture of the QR code to **gazaesims@gmail.com** with the subject line: MOGO eSIM [data amount] [region] [duration]
